Common health plan terms

Here is a list with definitions of frequent terms found throughout this guide

Care

Facility - A location for receiving care. Examples: hospital, skilled nursing facility (SNF), imaging center.

Inpatient care - Medical treatment for someone formally admitted to a facility with a doctor's order. Without a doctor's order it may be considered outpatient care, even if you stay overnight.

Outpatient care - Medical treatment for someone not admitted to a facility. May take place in a doctor's office, clinic, or hospital outpatient department.

Preventive care - Services and treatment to prevent illness or injury. Examples: annual wellness visit, screenings, diet or exercise counseling.

Primary care provider (PCP) - A general practice doctor, nurse practitioner, or physician assistant who treats basic medical conditions and is often the first person you'll see for health concerns.

PCPs provide checkups, vaccinations, and screenings. They help diagnose conditions and refer to specialists when needed.

You are not required to select a PCP.

Provider - A medical professional who provides care. Examples: doctor, specialist, physician assistant, nurse practitioner, nurse.

*Not all medical costs or services are included in or subject to the annual out-of-pocket maximum.

Cost

Allowed amount - The maximum amount the plan pays for each covered service.

Annual out-of-pocket maximum (or max OOP) - The maximum amount you pay for medical costs each plan year. After paying the max OOP, you pay nothing for covered services until the next plan year. Copays, coinsurance, and deductibles count toward the max OOP, but not all costs do.*

Summary of Benefits - A summarized list of medical care and drugs the plan covers.

Coinsurance - A percentage you may be required to pay for covered services or drugs after paying your deductible. The plan pays the rest.

Copay - A fixed dollar amount you may be required to pay for covered services or drugs after paying your deductible. The plan pays the rest.

Cost share - Also called "cost-sharing amount" or "your share of the costs." Usually a deductible, copay, or coinsurance. This is the amount you pay for covered services or drugs, while the plan pays the rest.

Covered services and drugs - Medical care and drugs your plan pays for under the plan terms.

Deductible - If applicable, the fixed dollar amount you pay for medical care or drugs before the plan begins to pay.

Prescription drug benefit highlights

You'll save money on prescription drugs with:

Covered medications

We cover generic, brand name, and specialty drugs that Medicare Part D allows us to cover, plus even more than Medicare allows called "extra covered drugs".

Choosing covered generic drugs may save you money without sacrificing effectiveness. Generics have the same active ingredients and effects as brand name drugs, generally without the higher cost share. Generic drugs on our select generics list have a \$0 copay.

Network pharmacies

Save by filling your prescriptions at any of our nearly 65,000 network pharmacies. Most national chains and many local pharmacies are in our National Discount Network.

Choose home delivery through CaredonRx pharmacy for convenience and savings. You'll get up to 90 days of supplies — often at a lower cost than if you were to fill the same amount at a regular pharmacy. It saves time as well.

See your *Summary of Benefits* located in the appendix for more details or call our First Impressions Welcome Team if you have questions about County of San Joaquin Anthem Medicare Preferred (PPO) with Senior Rx Plus plan benefits, and provide them with this group specific code CA061GRS. **1-833-848-8729** (TTY: **711**) **Monday through Friday, 8 a.m. to 9 p.m. ET, except holidays**

Access to care

Nationwide access for peace of mind

Choose the doctors you want

- See any doctor, care provider, or specialist in or out of your plan's network who accepts both Medicare and your plan.
- Your copay or coinsurance is the same if you see a care provider in or out of your plan's network.
- Your benefits and coverage stay the same, no matter where you travel in the country.

What if a doctor or other provider says they don't accept this plan?

Have the doctor or care provider call the phone number on the back of your plan membership card. We'll explain to them how they can submit a claim for your visit.

If you're ready to enroll, please go to page 19 to get started.

What is Medicare?

This plan is a PPO Medicare Advantage prescription drug plan

Medicare is a federal government health insurance program for people:

- Over age 65.
- Under age 65 with certain disabilities.
- With end-stage renal disease (ESRD).
- With amyotrophic lateral sclerosis (ALS), also called Lou Gehrig's disease.

More information is available at www.medicare.gov or you can call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Medicare is available as follows:

Original Medicare

- Part A provides coverage for hospital benefits.
- Part B provides medical benefits.

Medicare Advantage

- Also called Part C.
- Bundles Parts A and B.
- Offers supplemental benefits and a first class member service experience.
- Can include Part D, the prescription drug plan.

Medicare Advantage is a Medicare-approved plan available only through private insurance companies. The added benefits it offers are listed throughout this guide.

Original Medicare = government program		Offered by private insurance companies	
Medicare Part A	Medicare Part B	Medicare Part C	Medicare Part D
Original Medicare + Part C = Medicare Advantage			
Medicare Advantage + Part D = MAPD plan			

Medicare Advantage vs. Original Medicare

Traveling outside the US?

Medicare Advantage members have emergency care coverage

Compare coverage

The good thing about Medicare Advantage is that it limits how much you'll spend each year on treatment. Plus, the prices are often fixed, so you'll have a better idea of any costs beforehand.

Medicare Advantage can include prescription drug coverage (Part D) — something Original Medicare doesn't offer.

Medicare Advantage	Original Medicare
Plan pays 100% of covered medical costs for rest of plan year after annual out-of-pocket maximum is met*	No limit to medical costs you will pay annually — no annual out-of-pocket maximum
You will often pay copays (fixed dollar amounts)	You will pay percentage of cost (20% of the cost for common services like outpatient surgery and doctor visits)
Emergency care is covered outside of U.S.	No emergency care coverage outside of U.S.
Can include Part D prescription drug coverage	No Part D prescription drug coverage

* Not all medical costs and services are included in or are subject to the annual out-of-pocket maximum, see the benefits chart for details. Call our First Impressions Welcome Team to request a benefits chart and ask any questions about County of San Joaquin Anthem Medicare Preferred (PPO) with Senior Rx Plus plan benefits, and provide them with this group specific code CA061GRS. **1-833-848-8729 (TTY: 711) Monday through Friday, 8 a.m. to 9 p.m. ET, except holidays**

Medicare Part D

The prescription drug plan described in this guide is also known as a Medicare Part D plan. All of our covered drugs appear on a drug list called the Part D formulary. This plan also covers drugs beyond those that Original Medicare covers, which appear on a separate list called extra covered drugs, located in your *Evidence of Coverage* (EOC).

If you take a medicine that is not covered, you have three options:

- Ask your doctor to switch you to a covered drug
- Request an exception
- Request a temporary supply while discussing other drug options

Drug type	Description	Possible tier coverage ²	Cost
Generic ¹	Same active ingredients and effects as brand-name drug without the brand-name	Tier 1	\$
Preferred brand-name	Safe and effective brand-name drugs that may not have a generic alternative	Tier 2	\$\$
Non-preferred brand-name	Less commonly used brand-name drugs that usually have a generic alternative	Tier 3	\$\$\$
Specialty	Cost \$950 or more for a 30-day supply. May require special handling.	Highest tier	\$\$\$\$

Covered drugs are divided into levels or tiers. Drugs on the lowest-numbered tier generally cost less, while drugs on the highest-numbered tier generally cost the most. Each tier contains drugs that we cover based on their safety and effectiveness. This chart provides an overview of how the tiers and pricing generally work.

1 High-cost generic medications may also appear on the same tiers as brand-name medications. Please consult the formulary for specific tier details.

2 Some drug lists divide generic drugs into two tiers. For those lists, the tier number increases by one for all tiers after the first. For example, Tier 1 becomes Tier 1 and Tier 2, and the numbering continues up the tiers.

* Some services that fall within this benefit category require prior authorization. Based on the service you are receiving, your provider will know if prior authorization is needed. This means an approval in advance is needed, by your plan, to get covered services. In the network portion of a PPO, some in-network medical services are covered only if your doctor or other in-network provider gets prior authorization from our plan. In a PPO, you do not need prior authorization to obtain out-of-network services. However, we recommend you ask for a pre-visit coverage decision to confirm that the services you are getting are covered and medically necessary. Benefit categories that include services that require prior authorization are marked with an asterisk in the benefits chart.

Note: While you can get your care from an out-of-network provider for Medicare-covered services, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If the provider is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Providers that do not contract with us are under no obligation to treat you, except in emergency situations.

This document reflects cost shares only.

†Must use the plan approved provider

Some of the benefits and limitations listed above are combined in-network and out-of-network.

This information is not a complete description of the benefits. Contact the plan for more information. Limitations, copayments, coinsurance, and restrictions may apply. If there is a difference between this document and the *Evidence of Coverage* (EOC), the EOC is considered correct.

Some of the benefits mentioned are part of a special supplement program for the chronically ill. Not all members may qualify for these benefits.

Benefits, premiums and/or copayments/coinsurance may change upon renewal or on January 1 of each year.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our member service number or see your *Evidence of Coverage* for more information, including the cost-sharing that applies to out-of-network services. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service.

• **Important Message About What You Pay for Vaccines:** All Advisory Committee on Immunization Practices (ACIP) recommended Part D vaccines are covered at no cost to you.

• **Important Message About What You Pay for Insulin:** You won't pay more than \$35 for a one month supply of each insulin product covered by your plan, no matter what cost-sharing tier it is on.

• **Vaccines:** Medicare covers some vaccines under Medicare Part B medical coverage and other vaccines under Medicare Part D drug coverage. Vaccines for Flu, including H1N1, and Pneumonia are covered under Medicare medical coverage. Vaccines for Chicken Pox, Shingles, Tetanus, Diphtheria, Meningitis, Rabies, Polio, Yellow Fever and Hepatitis A are covered under Medicare drug coverage. Hepatitis B is covered under drug coverage unless you fall into a high risk category, then it is covered under medical coverage. All other Advisory Committee on Immunization Practices (ACIP) recommended Part D vaccines are also covered under Medicare drug coverage for Medicare-eligible individuals under 65. You can fill and receive your vaccines at a network pharmacy or they can be administered at a physician's office. However, the physician will only submit a claim for a Part B vaccine. If you want to get a Part D vaccine at your physician's office you will pay for the entire cost of the vaccine and its administration and then ask your drug plan to reimburse you the cost of the vaccine and its administration. Please see your Evidence of Coverage for complete details on what you pay for vaccines.

- **Senior Rx Plus:** Your supplemental drug benefit is non-Medicare coverage that reduces the amount you pay, after your Group Part D benefits and the Coverage Gap Discount. The copay or coinsurance shown in this benefits chart is the amount you pay for covered drugs filled at network pharmacies.

Required information for this plan year

Your rights, protections, and Medicare options

As a Medicare beneficiary, you have many rights and options put in place to protect you as a consumer. You have choices.

As a Medicare beneficiary, you can choose between:

- The Original (Fee-for-Service) Medicare plan.
- A Medicare health plan like the one offered in this guide.

You may have other options

The important thing to remember is that the choice is yours, keeping in mind that you may be able to join or leave a plan only at certain times. Please note that if you do not take your retiree benefits, it may affect other retiree benefits your group sponsor offers. No matter what you decide, you may still be eligible for the Original Medicare program.

Geographic service areas covered by this plan

This plan offers coverage in our Centers for Medicare & Medicaid Services (CMS) defined geographic service area of all 50 states, Washington, DC, and all United States territories.

Your Medicare protection

The plan must offer Medicare benefits to you for a full calendar year at a time, although benefits and cost sharing may change from year to year. The plan provider can decide each year whether to keep offering Medicare Advantage plans, or whether or not to continue offering plans in specific geographic areas like yours.

Also, Medicare may decide to end our contract.

If for some reason this plan is discontinued, we will send you a letter at least 90 days before your coverage ends explaining your options for Medicare coverage in your area.

For more information on the options and rights you have as a Medicare Advantage member with this plan, please contact our First Impressions Welcome Team and ask for a copy of the *Evidence of Coverage (EOC)*.

Extra Help from Medicare

You may be able to find help to pay for your prescription drugs and other Medicare costs. If you qualify for Medicare's Extra Help and are enrolled in a Part D plan like this one, Medicare can pay up to 100% of your prescribed drugs. This can help offset your drug plan's monthly premium, plus coinsurance and copays for covered prescription drugs.

Extra Help can also close any drug coverage gaps and stop late enrollment penalties (LEPs). For more information, visit www.medicare.gov or www.ssa.gov, or call:

- **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, seven days a week. TTY users should call **1-877-486-2048**.
- The Social Security Administration at **1-800-772-1213**, Monday to Friday, 7 a.m. to 7 p.m. ET. TTY users should call **1-800-325-0778**.
- Your state Medicaid office.

Required information for this plan year

Information about Medicare

To help you make more informed healthcare decisions, we are providing this important information about Medicare to use as a resource. If you have any questions, or you would like to request a benefits chart, please contact our **First Impressions Welcome Team**.

Pay your Medicare Part B premiums

Once you enroll in this plan, you must still pay your Medicare Part B premiums. If you don't, Medicare will terminate your coverage and then you may have to pay a late enrollment penalty if you decide to reenroll.

Enrolling in other plans

If you decide to enroll in other plans, you will be disenrolled from your current plan.

Notifying your group sponsor

To ensure a smooth enrollment, make sure your group sponsor has your most up-to-date information and that it matches your Social Security information.

What to know about a drug list

A drug list is a list of drugs covered by the plan. We choose our list to provide good prescription coverage and a good value to you, as well.

Your full Benefits Chart will tell you if you have an open or closed drug list plan. Open plans cover almost all Medicare Part D eligible drugs, while closed plans cover most.

When new drugs come to market, we conduct a clinical and cost review and may add them to the drug list. To keep plans affordable, every year we may also remove drugs or change the cost you pay for them the following year. But don't worry; we'll notify you first and send you a new drug list when we make these changes.

Important: Check to see if your drug is on the drug list before you go to the pharmacy.

If the drug you take is not on our drug list, you will have to pay the full price of the drug. If that's the case, or if your drug comes with additional requirements or limits, you may be able to receive a temporary supply. We will notify you once the temporary supply is dispensed. You will have to contact your doctor and ask if you can switch to a different drug listed on our drug list.

About IRMAA and your income level

If your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit, you must pay an income-related monthly adjustment amount (IRMAA) in addition to your monthly plan premium.

The Social Security Administration will contact you if you have to pay an IRMAA, which you must pay to them, not us.

High-income surcharges

If you must pay a high-income surcharge on your Medicare Part B or Part D premium to the Social Security Administration, please be sure to do so to avoid a mandatory disenrollment.

This information is not a complete description of benefits. Contact the plan for more information. Every year, Medicare evaluates plans based on a five-star rating system.

This guide is intended to be a brief outline of coverage and is not intended to be a legal contract. The entire provisions of benefits and exclusions are contained in the *Benefits Chart and Evidence of Coverage (EOC)*, which is received upon enrollment. In the event of a conflict between the *Benefits Chart* and *EOC* and this guide, the terms of the *Benefits Chart* and *EOC* will prevail.

Coordination of Benefits (COB) letter

If we receive Coordination of Benefits (COB) information from CMS, we are required to send a letter to you requesting verification of the other coverage information. The benefit verification letter we send will include information from CMS, including any other coverage that needs to be verified. Separately, we could receive COB information from other reporting sources in addition to CMS.

If the information is not correct in the letter, you can call Member Services or you can fill in the correct information on the letter and return it to the plan for processing.

If a response is not received within 21 days, the information on the letter is considered to be accurate.

If the previous carrier does not notify CMS of the previous plan termination prior to the plan enrollment process, a COB letter could be triggered for the plan that was just terminated.
